

FY 2018 Administrative Hearing Outcomes (through January, 2018)

The matters listed below are those on which an administrative hearing regarding a billing issue was requested. These matters do not include billing challenges resolved by customer service staff. (Where noted, "Settlement" refers to an account adjustment in the customer's favor prior to a hearing. "Account Adjusted" refers to an account adjustment in the customer's favor based on the hearing examiner's decision.)
