

## Lead Pipe Replacement Assistance Program (LPRAP) Approved Contractor List

In accordance with Section 6019b of D.C. Law 22-0241, "Lead Water Service Line Replacement and Disclosure Amendment Act of 2018," effective March 13, 2019, DC Water is authorized to establish a "list of approved contractors for residential property owners to use for the replacement of the portion of a lead water service line on private property." The LPRAP Approved Contractor List will be updated annually, if not sooner.

In accordance with the District of Columbia Water and Sewer Authority Omnibus Amendment Act of 2020:

“If a residential property owner seeks to use a contractor not on the list required by paragraph (1) of this subsection, the residential property owner shall first receive written approval from DC Water to use that contractor. If a residential property owner does not receive written approval from DC Water to use a contractor and the contractor is not on the list required by paragraph (1) of this subsection, any replacement costs incurred by the residential property owner for work completed by the contractor shall not be eligible for financial assistance under the Program.”
